THE ELMS

1957

Volume 39
Elmhurst College
Elmhurst, Illinois

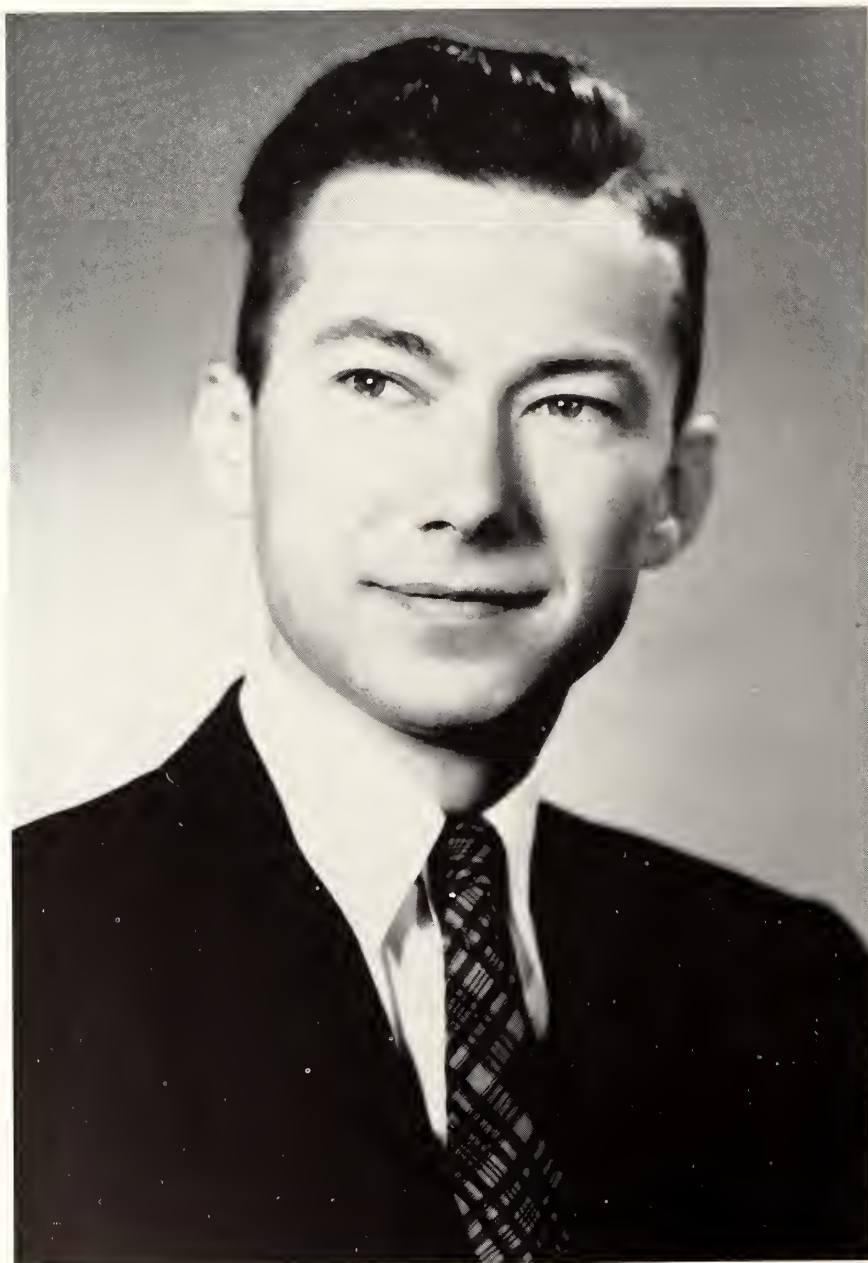

“After three days they found him in the temple, sitting among the teachers, listening to them and asking them questions: . . .

“And Jesus increased in
wisdom
and in stature,
and in favor with God
and man.”

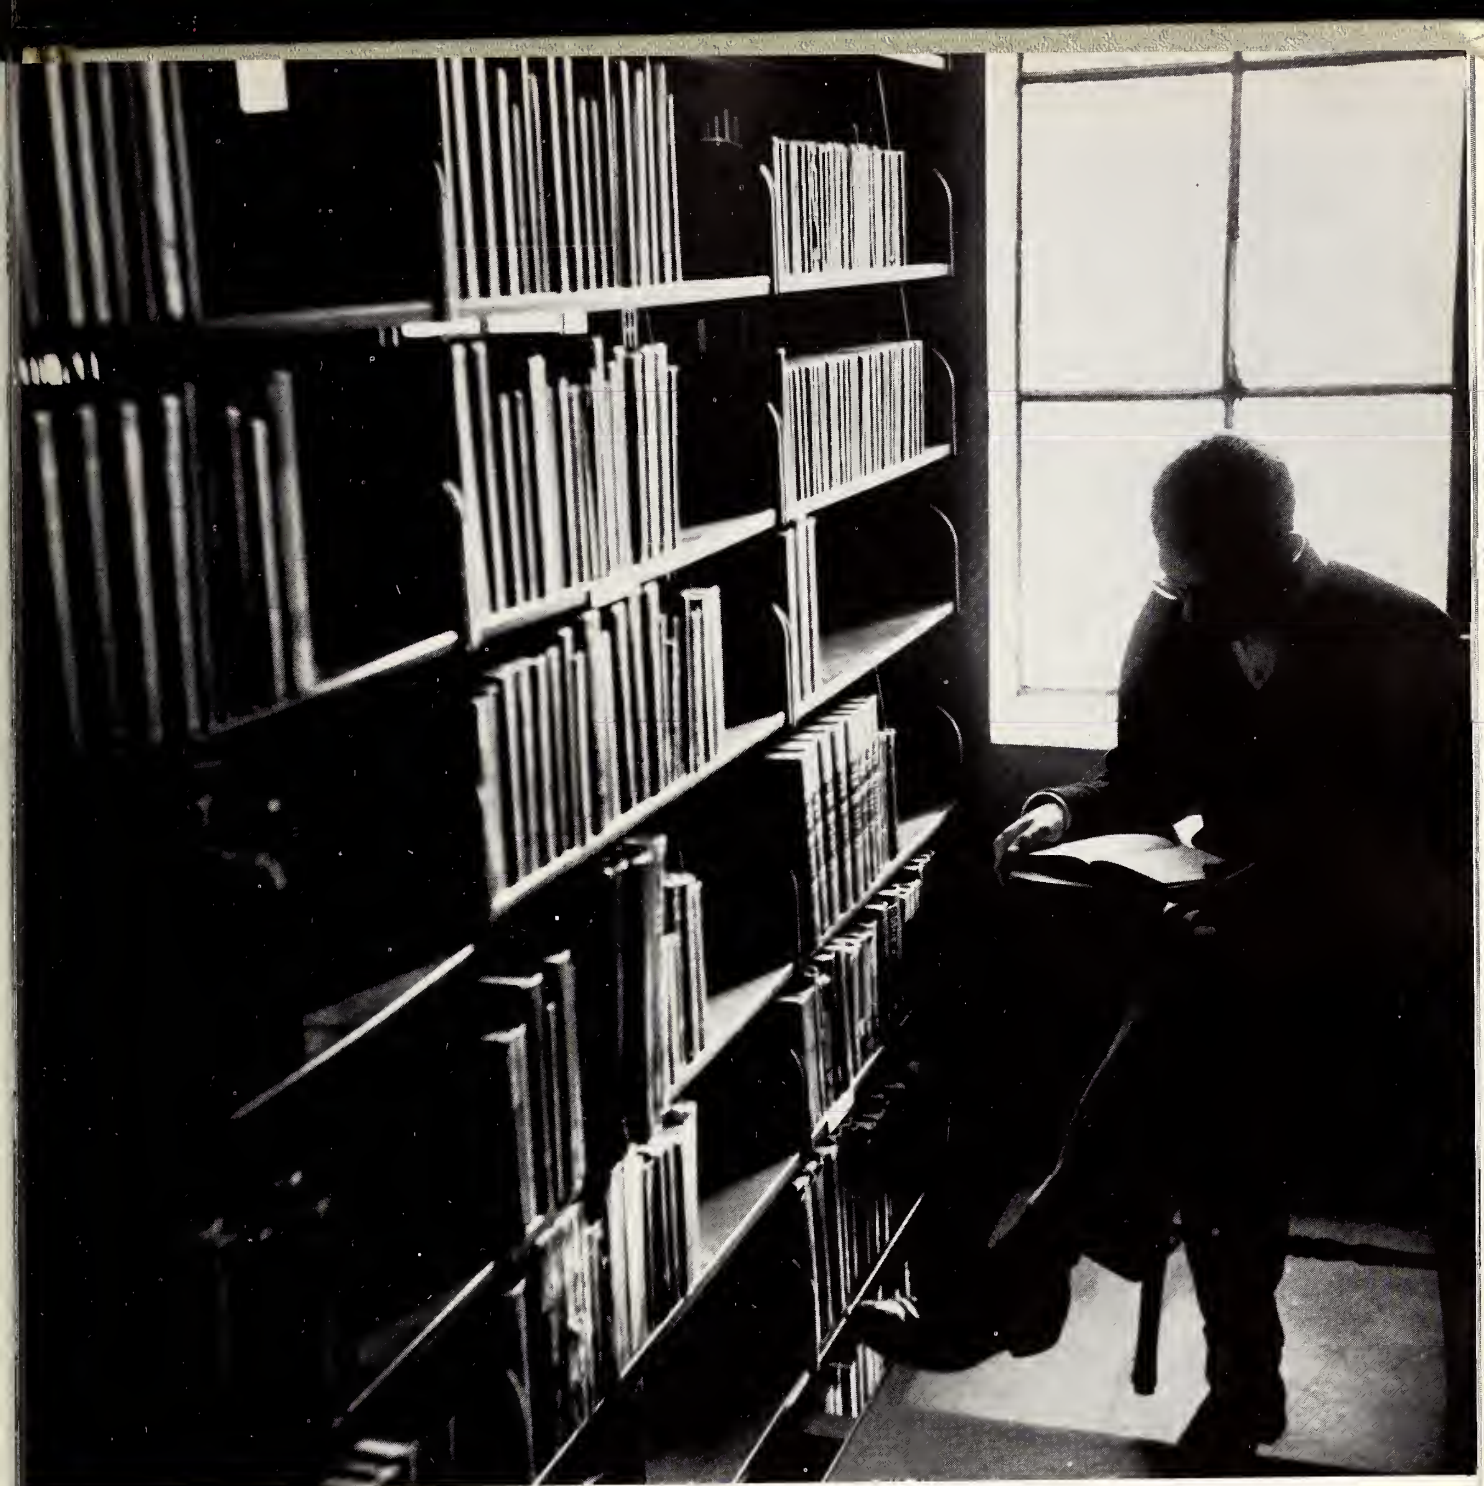

Luke 2:46, 52

The 1957 staff of the *Elms* dedicates this book to Dr. Eugene Wehrli who has been a professor of religion at Elmhurst since 1948. He is foremost a Christian of no uncertain convictions who constantly challenges the convictions of his students, and wisely, "he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind."

DR. EUGENE S. WEHRLI

“And Jesus increased in wisdom . . . ”

*“And even as each one of you stands alone
in God’s knowledge, so must each one of you
be alone in his knowledge of God and in his
understanding of the earth.”*

Kahlil Gibran

The Elmhurst College Campus was saddened this year by the loss of its beloved leader and President, Dr. Henry W. Dinkmeyer. Dr. Dinkmeyer was a familiar figure in the "everyday life" of the school where his stately bearing, ready smile, and keen sense of dedication to his God and to his alma mater endeared him to all who knew him. And many really knew this man, for he played a truly significant role as college presidents go. Never limiting his activities to the cloistered confines of closed doors and high level policy decisions, Dr. Dinkmeyer kept his office and indeed his very life open to those who wished to share in his friendship or to seek some personalized counseling. Eulogies there have been in these past few months for a man whose life touched the lives of so many others. They called him "the Builder" and told us that in the wake of his untimely passing he had left as his enduring memorial on the Elmhurst Campus, monuments in stone, which were the significant contributions of his decade of service. Yet stone is cold, and with the passage of time, these buildings will become an accepted part of the college setting and will belong to the memory and heritage of an institution and not to any one man. The monument which Dr. Dinkmeyer leaves behind is yet to be completed for it is to be found in the lives of those who in their years at Elmhurst were touched in a very common, ordinary, yet significant manner by the strength of his character and the quality of spirit which shone through his life and actions. This is not the type of monument marked by the tangible grandeur of a building or the eloquent utterance of a touching eulogy. Memories soon fade, yet the seeds of dedication and Christian purpose remain in the lives of those who knew him as more than a minister, a President, an executive or even a builder. To those hundreds of students who came to know him as a "friend," the noble quality of his life lives on in the quality of life which he engendered in them. New leaders arise, new opportunities for service are opened, and always in our minds as we make our contribution to life will be the thought "were it not for him . . ." Yes, his memory lives on as a "monument in lives."

Football '57

THE END OF AN ERA

The 1957 football season started much like any other here at Elmhurst. There was the usual pre-season training week before the official opening of the school year, the adequate list of hopeful candidates to begin the season, the customary Saturday "drubbings" at the hands of a not too thoughtful gridiron opponent, the closing of the ranks as injuries and general discouragement reduced the roster of our own ironmen—and then it happened!!! The Cardinals from North Central invaded the premises of Elmhurst and after a memorable afternoon of hard fought football, the score read 14-12—a wild and cheering "mob" of victory starved Bluejay rooters carried their "champs" off the field—Elmhurst College had witnessed the end of an athletic era as the seemingly endless succession of victoryless seasons was abruptly and dramatically brought to a close by this 1957 edition of the Elmhurst football team. Yes, an era had ended and with first-year coach, Harold "Spud" Owen returning to the helm in '58, hopes are high that perhaps on that final football Saturday of the year, Elmhurst College had witnessed not only the end of an old but the beginning of a new era in her athletic history.

Too little Too late

The '57 edition of the Bluejay basketball team turned in a performance which was creditable yet fell far short of pre-season expectations. Making short work of early non-conference "tune-ups" the Jays sailed into the Cardinals of North Central and rolled up a score. This, their only conference win of first round play, was followed by a grueling series of games which saw the local "five" fighting and holding their own for the first three quarters of the game only to lose the battle for lack of depth and inadequate bench experience in the waning minutes. "The Schousenmen" avenged early season

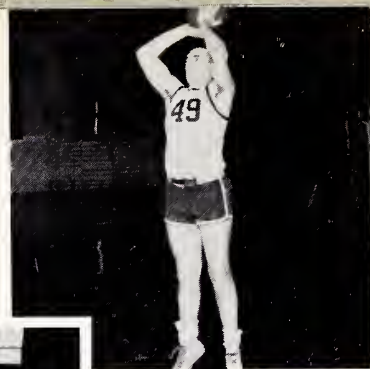

setbacks at the hands of Carroll, Lake Forest, and Millikin, but lost out in squeakers to the other conference foes. The Millikin game, which closed out the season, was a thriller which saw the Jays win their first Basketball game from this school since the formation of the CCI. It looked at last as if the team was beginning to roll. The post-season "dream team" selections saw the Jays notching three berths out of a 15 man squad as Joe Herter and Dick Stanger were second team selections and Mons Schrantz was given an honorable mention, yet the entire season could best be summed up "Too little—too late."

A NEW ATHLETIC VENTURE

During the winter months, a group of Elmhurst athletes joined together in forming an intercollegiate wrestling team. Under the able leadership of Coach Langhorst and Captain Kazuaki Hiratsuka, the team finished with a 2-3 record for the season's competition. Losses to Wright Junior College, Carroll, and powerful Wheaton were offset by two conquests of the Lake Forest "matmen." There were handicaps in this new venture to be sure, among them being the lack of adequate mat facilities to enable us to invite rival teams to our own Gym and yet the nucleus of a "new athletic venture" here at Elmhurst was begun by our '57 wrestling team.

NO TIME TO GET ROLLING

The '57 edition of the Bluejay baseball team "brought home the bacon" on only one occasion in a season that saw the college nine engaging in a meager 7 contests as they too succumbed to the onslaught of a wet, cold spring. Early season defeats at the hands of Wheaton, North Central and Millikin saw the "diamondmen" losing by considerably lopsided margins and it was only after "stealing" a 13-12 thriller from North Central that the boys began to really take shape. In the second Wheaton game, the Crusader nine found themselves on the short end of a tense and exciting contest as they came up to bat for their final effort in the seventh inning. A three run "binge" in typical Wheaton fashion saved them from defeat and shattered the hopes of the Bluejays and yet this Elmhurst "nine" had turned in the finest diamond performance against a Wheaton team in many a year. A loss to Augustana ended the season as the remainder of the games were "rained out" and the performance of this year's baseball team could only be summed up "No time to get rolling."

A COLD, WET SPRING

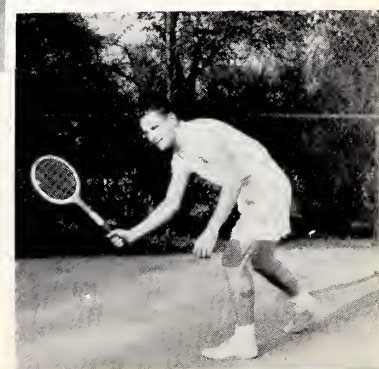

The '57 edition of the Bluejay tennis squad suffered from a combination of inexperience and the unseasonable spring weather which saw the boys competing in only eight matches in addition to the conference encounter at Lake Forest. Charles Kniker and Julius Clyde posted 3-5 records for season's play while Captain Herb Grote was able to win only one match at the "red hot" number one position.

In the conference meet, the squad chalked up two points with Kniker and Carney scoring wins in the early round competition.

Prospects seem considerably brighter for next season as the entire team, with the exception of senior Bob Carney, will be returning and a crop of young hopefuls have been progressing rapidly under the skillful tutelage of Coach Arends.

ALL THE WAY—ALMOST!!

From perennial "doormats" to a second place notch in conference competition—that's the story of this year's edition of the Elmhurst golf team. With what was fundamentally the same team that finished at the bottom of the standings in 1956, the "linksters," under the able coaching of Harold "Spud" Owens, were able to turn in a creditable 5-5 record for season's play which included two sparkling wins over arch rival Wheaton. Then, with Kalkbrenner, Illingworth, and Bizer spearheading the drive with some low par shooting the squad roared into the conference meet and came in second, to Lake Forest; posting the best conference record of any Elmhurst team this year.

Polyhymnia

"Poly" had a very rewarding year with many local concerts, chapel assemblies, and Spring Tour which took the group to Pennsylvania, Ohio, Canada, Indiana and New York. Some of the outstanding events included a tour of Niagara Falls, a surprise shower for "Goodie" on the bus, a visit to Heidelberg College, British Tams from St. Thomas, Ontario, Mrs. Repp's antiques, and shopping in Buffalo and Cleveland. The year ended with a dinner at which the girls recalled the fun they had and the wonderful experience it was to bring "many hymns" to churches near and far.

Glee Club

All music groups looked forward to spring tour, and Glee Club was no exception. Their trip took them through Illinois, Iowa, and Missouri for sacred and secular concerts at churches and an afternoon performance in a high school in Alleman, Iowa. The nine days away from "home" resulted in the usual replacement of sleep and school books by cards, magazines, and idle chatter. But a few new things were included this year—Ivy League and fatigue hats, squirt guns, visits to Iowa State College, a penny arcade and a zoo, and an additional surprise ending in a performance of "When I Go Out Of Doors" for our director on April Fool's Day. After returning to campus, the fellows serenaded the girls as a last spectacular of their tour.

The Chapel Choir, youngest of the choral organizations, was directed this year by Mr. Robert Thatcher. As usual, the highlight experience of the Choir members centers in the Spring tour which took them to Washington, D.C., presenting their sacred music in many churches. Anyone who has ever traveled with one of the choral groups knows that along with the wonderful experience of singing and worshipping comes much fun. Chapel Choir's fun began before they left when the Glee club presented Mr. Thatcher with a box of high caloric foods and beverages which they knew were "taboo" while traveling on the bus. Riding on the bus found most of them dodging swinging robe bags, singing, asking for rest stops, calling Mrs. Kuether for the first aid kit, and most of all sleeping. Upon their return to EC, the choir wished that it was only the beginning of the wonderful time they had.

Faces Toward Freedom

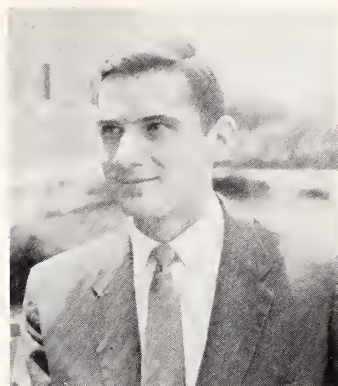

One result of the unrest of the great Hungarian revolution last fall was an influx of that country's young people into our colleges and universities. Elmhurst College was privileged to have twenty-five of these students who had left their homeland and everything which was familiar to them in search of freedom. Many left on as little as a day's notice, such was the urgency of their departure. Offered to them at Elmhurst were nine weeks of extensive English courses and a smattering of Campus activity. The students of Elmhurst, in the process of trying to acquaint their new friends with the "American Way of Life" profited perhaps more from the experience than the Hungarians did. They learned that there are more likenesses between countries than differences, and that students in quest of truth and freedom, be it intellectual or social, speak the "same language." This fall will find our friends scattered about the country at colleges where they will take up regular studies to prepare for the fields in which they are interested. We wish Godspeed to these courageous young people in the fulfillment of their education and we remember the words of one of the young women who said "May your country never know the terror of Communism." This is the challenge they left to us.
